

SETTLEMENTS

Settlements are published only when submitted to us in writing, using a photocopy of the form attached to this issue or by letter (please use the form as a guide). Settlements are not included in statistical surveys, but the information is indexed.

IV/8-88 \$1,250,000 - QUADRIPLÉGIA

SETTLEMENT Blossomgame v. Church of St.
Martha 14122/82 Nassau
Supreme Date of Settlement
3/21/85

Pltf. Atty: Kenneth A. Wilhelm, Manhattan

Facts: Structured settlement with a present value of \$1,250,000 for a 51-year-old man who was allegedly rendered quadriplegic in a fall on Deft.'s premises. Pltf. contended that he fell on a patch of ice on the church driveway. Before settling, Deft. contended that Pltf., a disabled Korean War veteran, fell because of an epileptic seizure. Pltf. sustained no fractures; Deft. was to argue that his symptoms were psychological in nature.
