

8/3/11

Dear Mr. Wilhelm,

My car accident was a very traumatic experience for me but your firm made it easy to navigate through the claim process. Your staff was extremely helpful and caring. Whilst it was difficult to walk your staff came to me.

Any questions I had were quickly answered and the case moved very quickly. I would highly recommend your services and if I ever need to I would not hesitate to call again.

Thank you again.

Sincerely

Brenda Lomas
