To Whom It May Concern:

Sorry I didn't get to write you sooner, but I will always be grateful to the Wilhelm team who was there for me and my daughter through a very difficult time in our lives, and fought and stuck with us to the end. They added some closure to our lives, and I admire the professionalism, concern and compassion they showed to my daughter and me. I want to especially thank Mr. Barry Liebman he was just wonderful. This is why I recommend my family and friends who needed legal help to Kenneth A. Wilhelm Law Office.

Sincerely

Ms. L. Hill
